

ESSENTIAL MAINTENANCE WORKS:

A5 JACK'S HILL Multi-Disciplinary Project

Update Bulletin 7 – 28.5.2020 ***Erratum***

Please note that there is an error in the date given on Page 2 of yesterday's update for the closure of the **Main Street, Upper Stowe / Furnace Lane crossroads (Phases 3 and 4)**.

They will in fact be closed each night during week commencing 1st June 2020 and not the 8th June 2020 as stated. This is to allow tree removal and drainage works at the junction to be carried out safely.

Please accept my apology for the error and any confusion caused.
