

ESSENTIAL MAINTENANCE WORKS:

A5 JACK'S HILL Multi-Disciplinary Project

Update Bulletin 9 – 24.7.2020

Additional Information - M1 Works SB J19 - J15

As stated in my previous bulletin, we will not be carrying out works on the A5 between Tove roundabout (A43) and Weedon Bec this weekend.

This is because the Costain Galliford Try Smart Motorways Joint Venture (JV) is carrying out works to the southbound carriageway of the M1 between J19 and J15 on Saturday and Sunday.

Please see information below about these works, provided by the JV, which I hope you will find useful.

For further information about works to the M1 please visit:
