

A5 KILSBY TO WEEDON Multi-Disciplinary Project

Update Bulletin 14 – 14.10.2019

***** STOP PRESS *****

Please note that, because of the present heavy rainfall which is forecast to continue overnight, we will **NOT** be carrying out main drainage works in **Phase 6 (from B4036 Long Buckby to B5385 Watford Gap)** tonight.

This means that the A5 will remain open between Kilsby and Weedon tonight.

We are planning to return and continue main drainage works to **Phase 6** at 8pm tomorrow night.

Please accept my apology for this alteration to our programme.
