

## **A5 KILSBY TO WEEDON Multi-Disciplinary Project**

### Update Bulletin 20 – 14.1.2020

I'm pleased to confirm that we have completed our essential maintenance scheme on the A5 between Kilsby and Weedon.

Works carried out on this scheme included clearing vegetation, cutting back shrubs, hedges and trees, felling of some trees within ditches, clearance of rubbish from lay-bys including hazardous materials such as sharp needles, jetting and CCTV inspection of existing surface water drainage pipelines, installation of new road gullies and surface water drainage pipelines, repair of damaged drainage pipes using both trenchless technology and complete replacement requiring excavation, replacement of covers, gratings and frames to access chambers and road gullies, both standard kerbing and kerbing combined with drainage outlets, ditch clearing, construction of headwalls to pipe outlets in ditches, reprofiling of verges, excavation and removal of existing footpath surfacing, replacement of footpath surfacing, milling and removal of existing carriageway surfacing, replacement of carriageway surfacing, High Friction surfacing, road markings and installation of road studs, traffic loops and expansion joints..

The road was fully re-opened to through traffic by 6am on Saturday 11<sup>th</sup> January 2020.

All traffic management signs, cones and barriers associated with this scheme will have been removed from the road network and lay-bys reopened.

Please accept my thanks for the co-operation given and the patience and understanding you have shown during these essential works.

Please note that, as the works are now completed, the scheme email address and designated 'phone number will cease to be operational from 5pm this afternoon. Any issues should be directed to the Highways England Customer Contact Centre on 0300 123 5000 or at [www.highwaysengland.co.uk](http://www.highwaysengland.co.uk)

Finally, I'd like to take this opportunity, on behalf of everybody in the team who delivered this scheme i.e. Highways England East Midlands Asset Delivery, Kier Plc, Forkers Ltd, HW. Martin (Traffic Management) Ltd, Tarmac Aggregates Ltd, Wilson & Scott Highways Ltd, J. McCann Ltd, Ground Control Ltd., NMCN Ltd. and Volker Laser Ltd, to wish you all a Happy and prosperous New Year.
