

ESSENTIAL MAINTENANCE WORKS:

A5 KILSBY TO WEEDON Multi-Disciplinary Project

Update to Bulletin 6 – 10.6.2019

*****THE BELOW RESURFACING WORKS HAVE NOW BEEN RESCHEDULED *****

Works on the weekend of 8pm Friday 14^h – 6am Monday 17th June 2019.

Phase 2 (from Weedon Bec crossroads to the new Flore roundabout), to resurface the carriageway. THERE WILL BE VERY LIMITED ACCESS VIA CAR TO YOUR HOMES AND BUSINESSES DURING THIS TIME – PLEASE FIND ALTERNATIVE PLACES TO PARK IF YOU NEED TO USE YOUR CAR DURING THIS TIME.

Phase 1 (from BP to South Side of Traffic Lights by the Cross Roads Hotel on the A5

Deep drainage works in the carriageway will continue so the road will remain closed. Those with permits or prior agreed permission will be allowed access via foot and vehicles to their properties and businesses. **The resurfacing works here are to be scheduled for a later date.**

*****PLEASE NOTE THE A45 WILL NOW REMAIN OPEN AND WILL NOT BE AFFECTED BY THIS WEEKENDS WORKS *****

We are extremely sorry for any inconvenience this will cause but this work is essential to improve road safety and drainage in this area. Due to the amount of heavy industrial vehicles working and manoeuvring in this area we have to close the road to prevent injury to you, your vehicles and our workforce. We are doing our utmost to cause minimal disruption. Please plan ahead and allow extra time for your journeys.

Note – Unfortunately current weather conditions may cause the works to be rescheduled again. We will notify you as soon as possible if this occurs.

As a result of these road closures in proximity to the Weedon Bec crossroads, traffic will still be diverted as shown on the diversion route drawing titled **TTRO PLAN – WEEDON CROSSROADS: PHASE 1 TRAFFIC MANAGEMENT**. This drawing can also be viewed by following the link to

the 'phase plan and diversion routes' on the covering email.

Unfortunately, there have been incidences of unauthorised vehicles being driven into our working areas. These irresponsible drivers put themselves and our workforce at risk of serious injury or death. As a result of these incursions we have employed a Safety Camera vehicle which will record any such incidences and report the offender to the Police
