

# Driving for Better Business

## COMMITMENT

### Forkers Ltd

is committed to improving work-related road safety by

- **EVALUATING PRACTICES**  
to protect drivers and other road users
- **STRENGTHENING CULTURE**  
to deliver positive behavioural change
- **ENHANCING PERFORMANCE**  
to improve operational efficiency and sustainability
- **DEMONSTRATING LEADERSHIP**  
to reinforce values and expectations at all levels

“

*Forkers Ltd considers safety to be the foundation of its operations and is committed to safeguarding the health, safety and wellbeing of its drivers and other road users. By maintaining the highest standards, consistent with Driving For Better Business; its FORS accreditation, as well as a Work Related Road Risk system, supported by a robust suite of driving policies and procedures, the Company strives to ensure that its drivers feel secure and confident that they are operating Company vehicles under the best conditions the Company can provide.*

**Peter Watson**
